Re: Certification Of High Cost Support For Rural Carriers And Competitive ETCs
Pursuant To 47 C.F.R. § 54.314, CC Docket No. 96-45

Dear Ms. Dortch / Ms. Majcher:

The Iowa Utilities Board hereby certifies that all federal high cost support provided to rural carriers and competitive ETCs in this state will be used only for the provision, maintenance, and upgrading of facilities and services for which the support is intended, consistent with section 214(e) of the Communications Act of 1934, as amended. This includes High Cost Loop support (HCL), Local Switching Support (LSS), and high cost support received pursuant to the purchase of exchanges.

Attached is a list of carriers certified by the Iowa Utilities Board pursuant to section 54.314 of the FCC's rules (47 C.F.R. § 54.314), which requires states to establish an annual certification process for carriers receiving federal high cost support. As requested by the Universal Service Administrative Company, listed beside each carrier is its assigned study area code (SAC), if known.

Please contact the undersigned if there are any questions concerning this matter.

Sincerely,

Judi K. Cooper
Executive Secretary
Iowa Utilities Board
